KRTA CONTACT WITH LANDOWNERS

When a KRTA Member is contacted by a landowner interested in a Land Use Agreement or other assistance or information, provide them with the attached KRTA Assistance Request Form. Ask them to fill it out and return it to Elaine Wilson, Executive Director of Adventure Tourism for the Tourism, Arts and Heritage Cabinet. Let them know that representatives from the Tourism Arts & Heritage Cabinet will be in touch with them to go over the details of the request and will provide further information about the process of completing a Land Use Agreement.
